ENTER THE VIRTUAL WORLD!**

1. Mario is recognized by more American children than Mickey Mouse. But the *Super Mario Brothers* games were not the first appearance of Mario. What was the 1981 big ape video arcade game that Mario first appeared in as Jumpman? (**DONKEY KONG**)
2. Nintendo's new *Super Mario World 2: Yoshi's Island* features the friendly dinosaur, Yoshi. What was the first game Yoshi appeared in? (**SUPER MARIO WORLD**)
3. *Super Mario World 2: Yoshi's Island* is a side-scrolling game featuring baby Mario and his pal dinosaur, Yoshi. Including this game and the games for the first Nintendo Entertainment System released in 1985, how many total Mario games are in the series? (**5 - SUPER MARIO BRO'S. 1 THROUGH 3 AND SUPER MARIO WORLD 1 & 2**)
4. In the SNES video game *Super Mario World 2: Yoshi's Island*, Yoshi and baby Mario travel down drain pipes to hidden levels. With that said, what is Mario's occupation? (**PLUMBER**)
5. Nintendo's new *Super Mario World 2: Yoshi's Island* takes place on Yoshi's Island, but what city lays claim as the proud home of Mario? (**BROOKLYN**)
